

26 June 1952

ANNEX "E" - LOGISTICS

CIA/Opc - Strategic Plan, Part II Cold War
PHASES II & III - FY 1953

1. Introduction: This annex gives in summary form plans for the provision of logistics support for Opc operations in FY 1953 (Phases II and III of the Opc Strategic Plan). The appendices to this annex show planned CIA Organization; requirements for personnel, materiel, construction, and funds; and air and sea lift capability.

2. Command Organization: Charts, attached as appendix 1, give the planned organizational structure of Opc. This organizational structure provides for decentralization as rapidly as practicable, thereby shifting direction of operational activities to the field to the greatest extent feasible.

9. Personnel Requirements - Appendix 2: Personnel requirements together with detailed analyses by category are given in Appendix 2.
10. Materiel Requirements - Appendix 3: Materiel requirements by procurement category broken down by areas are given in Appendix 3.
11. Facilities Requirements - Appendix 4: Construction requirements are given in Appendix 4 part 1. Lease requirements are given in Appendix 4, part 2. It is to be noted that construction requirements were formulated prior to the establishment of the base support structure given in paragraph 7 above. These requirements will be modified as necessary to adapt to the support base structure.
12. Funds Requirements - Appendix 6: Funds requirements are given in Appendix 6 broken down by tasks by area and by resources requirements by area.
